

ON A WONDERFUL DAY LIKE TODAY

From the London Show "The Roar of the Greasepaint – The Smell of the Crowd" (1965) (Leslie Bricusse/Anthony Newley)

**On a wonderful day like today
I defy any cloud to appear in the sky
Dare any raindrop to plop in my eye
On a wonderful day like today**

**On a wonderful morning like this
When the sun is as big as a yellow balloon
Even the sparrows are singing in tune
On a wonderful morning like this**

**On a morning like this I could kiss everybody
I'm so full of love and goodwill
Let me say furthermore
I'd adore everybody to come and dine
The pleasure's mine and I will pay the bill**

**May I take this occasion to say
That the whole human race should go down on its knees
Show that we're grateful for mornings like these
For the world's in a wonderful way
On a wonderful day like today**
