

THERE'S A KIND OF HUSH (ALL OVER THE WORLD)

Words and music by Lee Reed and Geoff Stevens. Released in 1967 by Herman's Hermits, and again in 1976 by The Carpenters.

There's a kind of hush all over the world

Tonight all over the world

You can hear the sound of lovers in love

You know what I mean, Just the...

Two of us and nobody else

In sight. There's nobody else and I'm feeling good

Just holding you tight.

Softly

So listen very carefully

Closer now and you will see what I mean-----

It isn't a dream

The only sound that you will hear

Is when I whisper in your ear

I love you forever and ever'

There's a kind of hush all over the world tonight

All over the world

You can hear the sound of lovers in love.

INSTRUMENTAL (1 verse)
